Village of Kinderhook Comprehensive Plan Update Committee Minutes of May 28, 2015

Present Mark Browne; Richard Phillips; Matthew Cabral; Steve Phillips;
Nan Stolzenburg (by phone); Jim Dunham; Kim Gray; Susan
Patterson; Thomas Muller (6:51)

Call to Order 6:00 PM

Discussions M. Browne opens meeting and talks about the next meeting scheduled for June 4, 2015 at 5:30 to be held at the Village Hall and who he is inviting for an open conversation. N. Stolzenburg reiterates what the committee is looking to get out of the government and community leaders that are invited for next week...what our objective is, changes, what's working, what's not, what's going on in the village, what our keys issues are, etc. M. Browne talks about how we are in the beginning phase of this effort and indicates what comes next; gathering information to put together a survey, then facilitating a survey. The committee discusses the process and different methods for handing out the survey for the best possible response. The committee discusses when they will have a public workshop with an open forum to gather additional information and all agree on Thursday, July 9, 2015 and will put out a formal notice and confirm closer to that date to make sure we are ready to have the public meeting. The committee discusses the presentation and suggests maybe breaking into smaller groups for discussion depending on how many people attend the public meeting and different options on gathering information. J. Dunham then discusses the current road projects, water problems on the roads and specifically the challenges on Albany Ave. He indicates that we are fixing and adding sidewalks and what is going on in the village with regards to infrastructure improvement projects. N. Stolzenburg and the committee members discuss possible funding grants we can get to facilitate more improvements. M. Browne motions to approve minutes with slight changes from the prior meetings; S. Patterson seconds; all in favor.
