Correspondence	NONE
New Business	NONE
Old Business	NONE
Other	<p>M. Browne, Chair introduces Nan Stolenburg, Community Planning and Environmental Associate. He states we have no contractual commitment at this time but wanted to discuss the process of updating the Villages Comprehensive Plan as she was involved in our 2008 update. We will be setting up a separate committee to get started. N. Stolenburg states that she is very happy to see our commitment with the up keep of our plan and explains her experience in her field of work. She analyses our situation and discusses different methods we could use to update whether the entire plan is reviewed or just identifying new issues or specific parts we want to focus on. There are three phases she explains:</p> <ol style="list-style-type: none">1. What are the current conditions?2. What do you want to do?3. How are you going to get there?

Once the plan is updated, there will be a public hearing, then the revisions are sent to the Village Board which will have a 2nd public hearing within 90 days with a full SEQR review. M. Cabral asks what the timeline for the update would be? N. Stolenbug replies that it should be done within a year, any longer the process could be duplicated. M. Cabral feels that Economic Development is very important and wants to focus on this update. The Board agrees! The Board and Nan discuss different grant and whether we would be eligible. The Board thanks Nan for her time and hopes that we can work with her in the future.

Next Meeting

May 1, 2014
