

VILLAGE OF KINDERHOOK CLIMATE SMART COMMUNITY TASK FORCE

April 10, 2018

ATTENDING: Bill Mancini (Chair.), Warren Applegate, Aileen Leventon, Rich Phillips (Trustee)

ELECTRIC VEHICLE CHARGING STATION: Application is complete enough for submission. B. Mancini will work with Village Clerk and Robyn Reynolds, CDRPC senior planner, to submit the application within the next two weeks. The budget contains funding for installation to address aesthetic issues within Historic Zone. Public comment and ideas for appropriate siting issues will be considered when general format of application is approved. B. Mancini reported meeting with Bill Jennings of Jennings Electric to obtain a third quote for the installation.

BUILDING A FOOD SMART COMMUNITY APRIL 21 & 22: W. Applegate shared final program outline. Task Force members assigned posting publicity locally and assisting at the event on the 21st.

NEXT MEETING: Tuesday May 8. 7 p.m.
